

Strawbridge United Methodist Church AYM Trip Covenant Agreement

Strawbridge United Methodist Church desires to ensure that the physical and spiritual safety of all youth and adults involved in the AYM trip is maintained. In an effort to foster community spirit and growth in our students, SUMC requires the reading and signing of this covenant agreement by both students and parents.

A person committing any act intentionally, recklessly, or with negligence that may cause harm to self or others, is responsible for his/her own conduct and will be held accountable. The Leadership Team will decide what action shall be taken to ensure the safety of the entire group and the overall success of the trip.

I covenant to be respectful of all others and myself. I will listen to my adult leaders at all times. I will not engage in any harmful activities whatsoever. I understand that I am accountable for my actions. I also understand that if I violate this covenant, my participation may be limited, and if the violation is serious enough, I may be sent home.
